

Project Phoenix - Team Org Chart

Accenture delivery team, formal reporting lines

Maintained by: Maria Osei, Project Lead

Last updated: 15 July 2025

Note: reflects formal role and reporting line assignment from project resourcing. Short-term day-to-day task reassignments (e.g. covering for absence or peak-priority work) are tracked via sprint boards and team channels, not reflected here in real time. See PHX-151 for a pending update.
